

Five Star Dealerships will change your oil for FREE!

We at Five Star Dealerships know it's been tough for a lot of us lately, but because of your support of Five Star, we see things getting better! To thank our community for buying local, Five Star Dealerships has teamed up with MASCO and Pettit Oil Companies, Carquest Auto Parts, *The Daily World*, Jodesha Broadcasting, and Grays Harbor Radio to help out

Grays Harbor residents who are currently unemployed. If you're receiving unemployment benefits right now, we at Five Star will change your oil for **NO CHARGE**.

We know that even when you are unemployed, you need dependable transportation, and it's important to keep your vehicle serviced. Please understand, we can't change everyone's oil right away, nobody has that capacity, so we're asking that you go to FiveStarDealerships.com or the Wednesday and Saturday *Daily World*, fill out the request form, and include all of the mandatory information.

All details can be found on the form, so fill it out and follow the instructions. We at Five Star Dealerships, MASCO and Pettit Oil companies, Carquest Auto Parts, *The Daily World*, Jodesha Broadcasting, and Grays Harbor Radio are honored to help support our community!
